RECITALS.

By Prof. Ohlenmacher's Class of the M. & F. College.

Every one remembers with pleasure the Recitals of last May and will look forward to these with pleasure and delightful anticipation. The recitals are as follows:

EPPERSON--CAMPBELL.

Last Saturday Prof. Robert L. Campbell, of Dirigo, this county, was married to Miss May Epperson at the home of the bride near Montpelier.

The bride is the eldest daughter of Mrs. Emerine Epperson and is a young lady of many lovable traits of character and is very popular in the Eastern end of this county.

Mr. Campbell is one of our best young men, who has by his own efforts placed himself in the front ranks as a teacher and has recently passed a very creditable examination for the practice of law. For several years he has been the News' representative at Dirigo, and like everything else he attempts, has made a success of the work.

The News extends its hearty congratulations to this most excellent young couple.

PROGRESSIVE OFFICERS.

Squire Eubank has been a member of the Fiscal Court for 25 years or more. Every progressive movement bears his approval and he stood firm for a good road system last week. Squire Rowe, now serving his second year of first term, also starts game and defiant to old methods. He was for the levy last year and the adoption of a good system. He was as solid as Gibraltar this year and proved himself a representative of which this county should justly feel proud. The county Judge and County Attorney undoubtedly deserve the hearty approval of every progressive citizen. They are in line with progressive movements and recognize the necessity of a good road system.

DEATH AT MILLTOWN.

Died, at her home near Milltown, on Monday, April the 8th, Miss Mollie Johnston. The deceased was a victim of pulmonary trouble, and was a sufferer for many weeks. She was a daughter of Mr. Ed Johnson, was about 30 years of age, and a very popular young lady. The funeral services were held Tuesday, and the remains laid to rest in the Milltown cemetery attended by a large number who had gathered to pay their last respects to one whom they loved.

IMPORTANT PRESBYTERIAN MEETING.

At a joint meeting of Elders and the Board of Deacons of the Presbyterian church, in the Bank of Columbia, Friday, April the 5th, Judge T. A. Murrell was elected temporary Clerk, and J. O. Russell Treasurer of the church.

On motion, and by a unanimous vote, a Building and Repair Committee was elected, and in the near future we hope to have our house of worship remodeled and enhanced, so as to make it comfortable and attractive. The commit-

tee are: Capt. W. W. Bradshaw, J. O. Russell, Judge T. A. Murrell, E. W. Reed, J. W. Flowers, Judge H. C. Baker, Dr. W. R. Grissom, Z. M. Staples, Frank Staples, John N. Murrell. J. F. C.

PUBLIC DEBATE.

On the evening of May the 10th, a public debate between the representatives of the Vanderbilt Training School, of Elkton, Ky., and The Lindsay Wilson will take place in this city. The subject for discussion will be, Resolve that the Federal Government should not own and control the railroads. The next day, May, the 11th, will be Field Day and the pupils are looking forward to both events with much enthusiasm.

GARNETT CHOSEN.

James Garnett, of Columbia, a nephew of Dr. B. T. and Mr. W. T. Wood, of this city, was chosen this week a member of the State Democratic Campaign Committee to fill the place vacated by Judge J. E. R. bins. Mr. Garnett is a member of the State Executive Committee from the Eleventh district.—Danville Advocate.

SACRAMENTAL SERVICE PRESBYTERIAN CHURCH.

The regular quarterly sacramental service will be held at 11 o'clock, April 14th.

Those expecting to unite with the church will have an opportunity immediately preceding the sermon. Services also at 7:30 o'clock. Public cordially invited. J. F. CLAYCOMB, Pastor.

PAYNE ADDITION.

Mr. C. R. Payne made a short stay, while in Columbia, but was here long enough to take in the situation and realize that the growth of Columbia was more hampered by a lack of suitable building lots than any other one thing. To meet this demand he had his beautiful tract of ground cut into lots and he now offers them to those who want to build houses. He has 17 lots ranging in price from \$75.00 to \$1000 and all well located. There could scarcely be found a more desirable location in town than the front tier of lots that face Campbellsville pike between Mrs. Garnett's home and the Stanford and Somerset roads. A good broad avenue will be made on the first elevation above the bottom and paralleling the pike. All this property is desirable, admirably located and prices within the reach of all. Full information, price and terms can be given by Mr. J. J. Simpson, of this city.

Mrs. U. S. Ackley, of Louisville, sister of Mr. Harry Chilson, of this city, died in Chattanooga, a few days ago, while enroute to her home, and after spending the Winter in Florida for the benefit of her health. Death was due to consumption. Her husband was with her at the time of her death.

The cupola which has adorned Mr. J. B. Barbee's residence on Greensburg street, since the erection of the house, was removed last week, and a neat iron railing put in its place. No single improvement could have been made to the place which would have added more to its appearance than this.

"The Southern Man's View of Abraham Lincoln" at the Court House last Tuesday evening delivered by Bishop Carter, of Chattanooga, Tenn., was a delightful treat, and a lecture highly appreciated and thoroughly enjoyed by a fair sized audience.

Mr. M. F. Dudley, of this city, who is superintending the installing of the Columbia State Co's., plant at Font Hill was at home over Sunday and informed us that work was being pushed rapidly as possible and that work would begin in a few days.

The Commercial Club will not give up the fight, mark that down if you choose to do so. It doubtless has some traitors but sooner or later they will be discovered and shorn of their power to poison the public mind or to influence the Fiscal court.
